

# Announcement: Texas NetDMR Migration - Final Permittee Training

On March 26, 2018, TCEQ is transitioning from the Texas NetDMR system to EPA's NetDMR system. All Texas NetDMR users will have to follow detailed instructions to successfully migrate their accounts into EPA's NetDMR system. The 3<sup>rd</sup> and Final Permittee webinar training will be on **Thursday, March 15, 2018, at 10:30 a.m. CST.**

Please register early to secure your space in the training. Capacity is limited to 1,000 viewers.

To participate in this webinar training, please register here:
