

TCEQ Small Construction Site Notice: Low Potential for Erosion

Small construction sites disturb at least one but less than five acres and are NOT part of a larger common plan of development or sale that will disturb five or more acres. Operators of small construction sites with low potential for erosion will fill out this notice. Operators will then post this notice at the construction site in a location where it is safely and readily available for viewing by the general public and local, state, and federal authorities. Additional information regarding the TCEQ Construction Stormwater General Permit may be found on TCEQ's webpage on [Assistance Tools for Construction Stormwater General Permits](#).
